## PROFILE

Visual & Motion Designer and 3D Artist focused on digital products, fintech and tech brands. Experienced in turning complex financial and technical concepts into clear, friendly visuals through motion design, 3D assets and visual storytelling. Comfortable working end-to-end with product, marketing and development teams to deliver clean, modern motion for apps, web and social.

## KEY SKILLS

- Motion design for apps & digital products (UI motion, explainers, promos)
- 3D visual design & branding (mascots, icon sets, product renders)
- Visual storytelling, storyboarding & cinematic framing
- Video editing & post-production
- Cross-functional collaboration in hybrid/remote teams

### Tools:

- After Effects · Figma · RIVE · Blender · Substance Painter · ZBrush · Photoshop · Unreal Engine

## EXPERIENCE

### SIMOTECH

Motion Graphic Designer · Animator · 3D Visual Designer  
Tehran, Iran · Nov 2022 – Present

- Design motion graphics and 3D visuals for Bajet, a personal finance app.
- Developed Bajet's 3D mascot and visual language for product and campaigns.
- Produce cinematic promos and feature explainers for social media and in-app use.

### REMIS

3D Generalist (Contract · Hybrid)  
Tehran, Iran · Jan 2024 – Present

- Provide creative and technical guidance on 3D and motion assets.
- Designed and animated a Transformer-inspired robot for an Oracle-related promo.
- Created a frame-by-frame animation for "Asre Terakonesh" magazine introducing the brand.

### DARVAGCloud

3D Generalist · Visual Designer (Contract)  
Jul 2025 – Aug 2025 · Tehran, Iran

- Created stylised 3D visual assets for the website and cloud products.

### WordUp App (Geeks LTD)

Motion Graphic Designer (Remote · Full-time)  
Greater London, UK · Mar 2022 – Sep 2022

- Produced educational explainer videos and motion graphics for the mobile app and web.

### Earlier experience:

*Bidopin* – Motion Graphic Designer (Remote) ·  
Oct 2020 – Oct 2021

*Emersun Home Appliances* – Video Editor (Full-time) ·  
Oct 2020 – Mar 2022
